ABOUT ME

Performance Marketing professional with 5 years of experience managing national and international clients across B2B, SaaS, e-commerce and many other industries. My expertise includes Meta Ads, Google Ads, SEO, Google Analytics 4 (GA4), CRM and lead management using Kylas CRM, WhatsApp Marketing, Email Marketing, lifecycle campaigns, lead nurturing and performance optimization. I combine data-driven strategy, audience insights, AI-assisted research and continuous experimentation to improve lead quality, campaign efficiency and measurable business growth. I hold an M.Tech in Chemical Engineering and an MBA in Marketing and Sales.

EXPERIENCE

InventIndia Innovations Pvt. Ltd.

Aug 2025 – Present

Digital Marketing Executive · Ahmedabad

- Managed Meta Ads for a fashion e-commerce brand through prospecting, Advantage+ Shopping and retargeting campaigns, generating 2,021 purchases at 6.37× ROAS on ₹5.89 lakh spend.
- Mapped Google Search campaigns to high-intent queries and Shopping and Performance Max to product demand, using Display and YouTube to re-engage visitors.
- Improved lead paths with technical and on-page SEO, Google Business Profile updates, keyword planning and WordPress landing pages.
- Ran segmented Gallabox campaigns for On2Cook B2B, reaching 24,320 recipients, delivering 16,488 messages and engaging 6,575 people.
- Built launch and promotional email campaigns with CRM follow-up, reviewing opens, clicks and list health to refine subsequent sends.

Vispan Solutions Pvt. Ltd.

Oct 2024 – Jul 2025

Digital Marketing Executive · Rajkot

- Reduced acquisition cost 50% for a SaaS account through Meta and Google Ads testing, bid adjustments and refreshed creatives.
- Generated 10,000+ real estate leads with Meta audience segmentation and creative testing.
- Managed ₹20,000–₹25,000 in daily Meta spend for a visa consultancy and increased leads 20%, while improving a UK clinic's appointment rate 25%.
- Delivered 6× ROAS for home utility ecommerce and 4.8× ROAS for an F&B marketplace using paid media and marketplace campaigns.

EARLIER EXPERIENCE

Aenigmah Digital Marketing Company

Dec 2021 – Sep 2024

Digital Marketing Executive · Rajkot

- Increased B2B machinery leads 20%, doubled expo registrations and lowered cost per lead 12% through YouTube, Meta and Google Display campaigns.
- Grew social engagement 40%, followers 25% and social-driven website traffic 20% through content and campaign coordination.
- Improved outdoor advertising lead volume 12% and presented monthly results and recommendations to clients.
